SUMMARY

MARTEL GMBH and the project partners are processing your data in compliance with the GDPR in the context of the NGI Commons project to:

- register you to the NGI Commons events and to populate participants lists,
- where applicable, set up networking activities for event participants,
- inform you about NGI Commons activities,
- provide access to resources,
- promote and document the NGI Commons activities,
- produce aggregated statistics

Your data will be kept no longer than five years after the completion of the project. You might be photographed or recorded for documentation and promotional purposes on the project and project partners web and social media handles. Data transfers outside the EU might happen, including to project partners located outside the EU, who will comply with the GDPR and to third parties. You have a right to view personal data, to rectification and, in some circumstances, to restriction of processing and to object. Contact commons@ngi.eu.

INTRODUCTION

You are invited to participate and contribute to the activities of the NGI Commons project that is co-funded by the European Commission under the Horizon Europe Programme.

Your participation is voluntary, you are free to withdraw at any time before or during the activities you are involved in by contacting the people mentioned in the current form.

Before you decide whether or not to take part, please take some time to read the following information carefully. Please, feel free to ask questions if more information or clarifications are needed using the contact details in the last section of this sheet.

NGI COMMONS SCOPE

NGI Commons aims to elaborate on a long-term strategy for digital/internet commons, which are critical for Europe's sovereignty and trust creating a more coherent European funding landscape across both public and private sectors.

The project will contribute to the following outcomes expected by **HORIZON-CL4-2023-HUMAN-01-04 Call: Next Generation Internet Commons Policy**.

NGI COMMONS PARTNERS

The NGI Commons consortium consists of six partners:

- **MARTEL INNOVATE BV** – Coordinator, Netherlands
- **OPENFORUM EUROPE** – Partner, Belgium
- **CENTRE NATIONAL DE LA RECHERCHE SCIENTIFIQUE - CNRS** – Partner, France
- **STICHTING OPEN FUTURE** – Partner, Netherlands
- **MARTEL GMBH** – Associated Partner, Switzerland
- **LINUX FOUNDATION EUROPE** – Partner, Belgium

PROCESSING OF PERSONAL DATA

Your personal data will be processed in compliance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

The legal basis for the processing activity is Article 5(1)(d) of Regulation EU 2018/1725 based on your explicit consent for your non-mandatory personal data indicated below.

The data controller of the processing operation is MARTEL GMBH. The event registration platform used is Tito (<https://ti.to>), which is GDPR-compliant and has its own privacy policy, available at this URL: <https://ti.to/privacy>.

The following entities process your personal data:
